**What's a home without a pet?  
When animals are sick who do you get?  
The Wairarapa Wais have the Vetcare Vet  
helping members to pay pet treatment debt**

**VETCARE  
06 377 7955  
20 Chapel St.  
Masterton**

Feathered & furry friends in Wairarapa Wais households have doctor Heidi to count on for consultation & treatment. The health, happiness & vitality of your beloved pets are the main concern for Heidi & her friendly animal-loving staff. This attitude is reflected in the generous 50% Wais\$ offer to reduce your NZ\$ account (no doubt reducing some stress as well.) Some insight to various cat & dog problems & their resolving surgeries can be viewed in a series of well-presented small books featuring local animal patients. At all stages of their treatment, surgery & recovery, the books are documented with clear photographs & simple text, giving pet owners assurance of what's involved & what's to expect.

Heidi likes to help the community & views our local currency system as another way to do that, helping locals & encouraging local trading. She loves home-made gifts & items produced from personal time, care & thought, like crafts, pickles, jams, baking & other foods & produce. Wais \$ are spent buying staff gifts, seasonal gift baskets, treats for family & friends & even practical services/labour like the cleaning of the clinics windows & other odd jobs.

**SERVICES AVAILABLE FOR 50 % Wais\$**

- \*puppy pre-school \*dog training \*vaccinations \*consultations**
- \*de-sexing \*teeth \*surgery \*grooming \*boarding \*re-housing \*euthanasia**
